- ARIES**

You may be asked to reappraise your values. Stick to your sense of tried and true. Recent developments have no bearing on the truth.
- TAURUS**
Apr. 20-May 20

- GEMINI**
May 21-June 20
Take time to understand your feelings. When you realize your destiny, the rest will fall into place.
- CANCER**
June 21-July 22
Don't stay cooped up at home this winter. Get out and enjoy the company of others. You have much to offer.
- LEO**
July 23-Aug. 22
Seek out those who share your intellectual interests. Avoid persons that tend to "use" you. Indulge your fantasies.
- VIRGO**
Aug. 23-Sept. 22
Show concern for one who is "down and out." Listen to his point of view before voicing your opinion. You may be wrong.
- LIBRA**
Sept. 23-Oct. 22
Your genius is recognized. Whatever you plan will work; your projects will all succeed. You have the Midas touch.
- SCORPIO**
Oct. 23-Nov. 21
Older person confides in you. Do not be shocked at his revelations. Remember that we are all human.

A busy schedule has allowed few interruptions. Take time out for "play." Head for the gym, movies, library or spa.
- AQUARIUS**
Jan. 20-Feb. 18
Do not allow conflicts to interfere with a long-standing friendship. Differences of opinion should not divide good friends.
- PISCES**
