Appointment fills council seat vacancy in Eramosa

Eramosa's newest council member, Mark Thomsen, was sworn in last month. He was appointed at a special meeting held on Jan. 30.

Thomsen ran in the November election, but did not get elected, said Virginia Sinnott, the township administrator. A seat was left vacant as a result of Reeve Levene Harris' resignation during the first council meeting after the election.

Eight people had applied and were interviewed for the position. At the Jan. 30 meeting, Reeve Rick Hughes nominated Don Gordon, while Gord Tosh nominated Thomsen.

Thomsen won by a vote of three to one. Thomsen received three votes, from Deputy Reeve Dave Adsett and councillors Cathy McIntyre and Gord Tosh, while Gordon received one from Reeve Rick Hughes. Gordon was narrowly defeated by just 18 votes in his bid for reeve last November.

Thomsen is a resident of Everton and has lived in the township for approximately four years.

THE Electrolysis CLINIC

SPECIALISTS IN PERMANENT HAIR REMOVAL
112 Main St. S., Ste. 208
Georgetown, Ont. L7G 3E4

Why Choose Electrolysis?

Because electrolysis is the **ONLY PERMANENT** method of hair removal. This is achieved by inserting a tiny probe into the hair follicle. A combination of heat from the probe & moisture in the hair follicle severs the blood vessels from the papilla eliminating the possibility of nourishment. The hair is then removed harmlessly with a forcep.

Is Electrolysis Safe?

Yes, it is very safe and unlike depilatories or bleaches, no harsh chemicals are used. We follow very strict sterilization procedures and only disposable needles and gloves are used.
