

ACTON FOR BUSINESS ACTON

Tyler Travel has been serving customers in Acton since 1972, and during that time developed a good mix of commercial and pleasure travelers

The company, operated by Ted Tyler, is open 9 a.m. to 6 p.m. Monday to Friday, and by appointment on weekends and evenings.

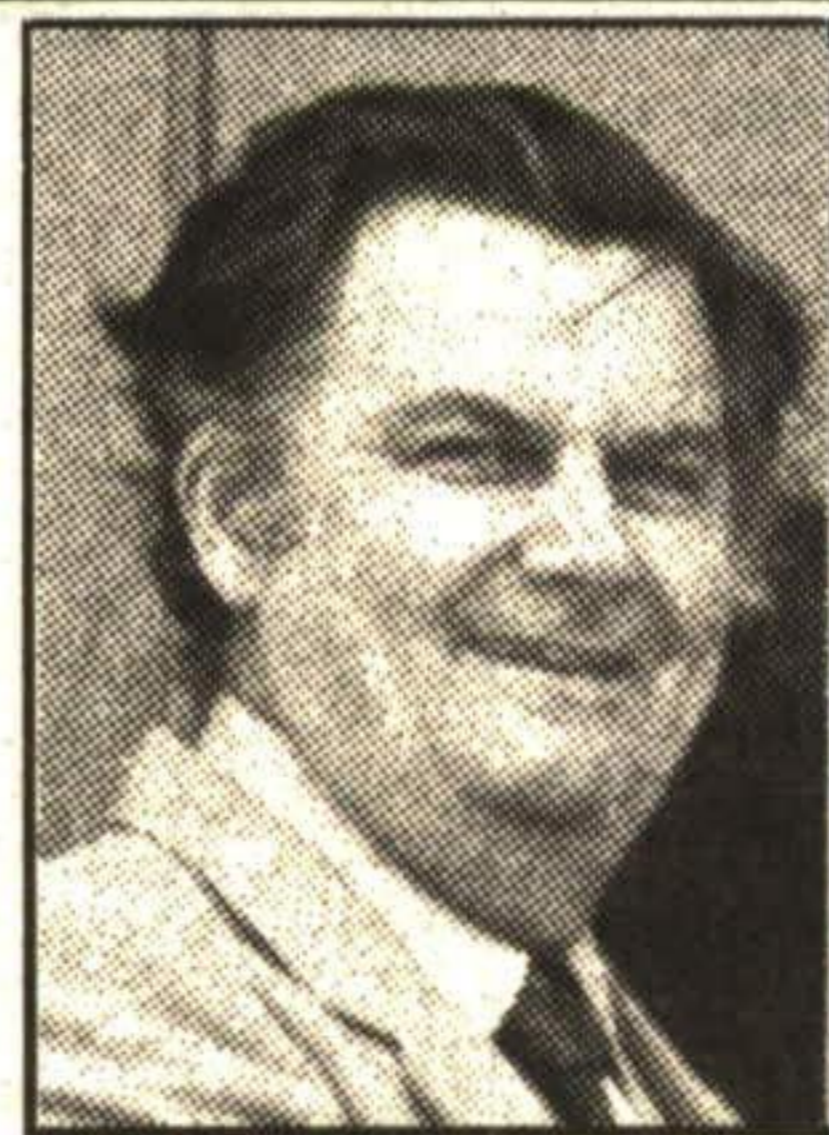

"We're not adverse to coming in at 9 a.m. Sunday morning or

at 7 p.m. at night," Ted said.

This helps people who might like the privacy of planning a honeymoon during the evening hours, when it is quiet and they can talk freely about their likes and dislikes.

Tyler Travel offers a unique service for people who would like to visit Britain, but want to travel in a different way. The company is the Canadian wholesale

agent for U. K. Waterways, which operates barge and narrow boat cruises throughout Britain. Ted points out that the canals in

Britain were developed as a main source of transportation a couple of hundred years ago. The narrow boats are like luxury liners shrunk down to 'Barbie doll' size, he said.

"This is for people who may have been to England three or four times, and have seen all the sights like Buckingham Palace and Westminster Abbey, and want to go back and see some-

thing different," he said. Those who do travel on the canals come back raving about their holiday. Tyler can also arrange for people to rent a boat on the canals in England. Some people who enjoy boating on Georgian Bay enjoy seeing a different part of the world in the same way, he said.
