Rehearsals are in full swing for Pirates of Penzance

The rousing songs of a band of lusty pirates have been raising

the roof at Globe Productions' Trafalgar Rd. hall lately.

Rehearsals for Gilbert and Sullivan's *The Pirates of Penzance* have been underway for weeks with the entire cast working full tilt to ensure that the audience will enjoy this absurdly silly, wonderfully complicated story.

Set in the sentimental, tradition-bound world of Victorian England, *The Pirates* centres around a naive 21-year-old orphan

named Frederick, whose decision to leave piracy for respectability has often hilarious consequences.

The tongue-twisting, brilliantly funny lyrics have made *The Pirates of Penzance* one of the world's most popular operettas.

Show dates are May 4, 5, 6, 7, and May 10, 11, 12 and 13.

All tickets are \$12.50 and are available at Royal LePage at 170 Guelph St. in Georgetown. Many of these dates will sell out quickly so get your tickets early.

Pirate stars Dale Jones, Christine Ford and Roderick Macintosh.

THE Electrolysis CLINIC

SPECIALISTS IN PERMANENT HAIR REMOVAL
112 Main St. S., Ste. 208
Georgetown, Ont. L7G 3E4

Why Choose Electrolysis?
Because electrolysis is the **ONLY PERMANENT** method of hair removal. This is achieved by inserting a tiny probe into the hair follicle. A combination of heat from the probe & moisture in the hair follicle severs the blood vessels from the papilla eliminating the possibility of nourishment. The hair is then removed harmlessly with a forcep.

Is Electrolysis Safe?
Yes, it is very safe and unlike depilatories or bleaches, no harsh chemicals are used. We follow very strict sterilization procedures and only disposable needles and gloves are used.
