Police seek help in solving theft attempt

By Sgt. ROD CLIFFE
CrimeStoppers of Halton

Thieves, who entered an Acton business late last month, were unsuccessful in their attempt to drive off in a transport truck, but their attempt did leave a mark on the business.

During the early morning hours of February 25, Goy Cartage, at 124 Guelph Street, was the victim of attempt. The culprits scaled a fence and then, once inside, climbed into a

tracker trailer cab, started it up, and tried to drive it out of the building.

The truck crashed through the closed overhead door of the building, but was left abandoned partially in that doorway.

Investigators believe those responsible left in a vehicle they had parked outside the compound.

The damage estimate assessed for repairs to the garage door was placed at near \$5,000.

If you think you have an idea who

may be involved in this occurrence, Crime Stoppers would like to hear from you.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information will be treated with complete anonymity. Crime Stoppers does not subscribe to call display.
