Dream Team claims Industrial League crown

Industrial League

Dream Team as expected won the league winners title last week in winning 5-4 over Panthers. Gasketman Cutters, finishing as runner up, just could not make up the required ground. In the end, five separated the two teams. Cutters defeated a casual Hustlers by 6-3 to solidify their placing. Hustlers are third, a long way behind, as are Westenders in fourth place. 'Enders defeated Bullsitters 7-2 to remain as one of the strong teams in the league. Teamsters, a new team, with players drawn from other teams came a credible fifth and won 7-2 over Independents. Bullsitters round out the top half of the league.

Bandits won their opening match of the season and could not win another although, on occasion, coming within a double of seeing the elusive second victory. The team are again last with Aces just above them. Panthers, Ensigns, Lost Boys and Independents are in the lower half at the end of it all.

Halton

Charleys Two has one more night to ensure the league winner title for the season. A thirteen point win will assure the team of the victory. Close rivals, Legion Three are only two points behind and have been creeping up these past few Mondays. Should the leaders prevail there will be a new name on the trophy. Last year's winners, Brackys Brew Crew, are in third place with an outside chance of pulling off a surprise at this stage.

Charleys defeated Legion One by 10-4 as Legion Three and Brew Crew were both taking 11-3 results over opponents, number two teams of Time Out and Legion respectively. Fourth place Charleys One defeated fifth place Legion Four by 9-5 and Time Out One scraped a last minute win over Bracky's Tapsters by 8-6.
