"We Are The Future: International Connections/A nous l'avenir, a nous le monde" is theme of the Halton Roman Catholic School Board's 1995 Catholic Education Week.

This year's theme reflects the 50th anniversary of the United Nations, which will be highlighted in the many school activities that

are planned to recognize the cultural diversity present in Halton.

Halton Catholic Board chair, Alice Anne LeMay says, "many of the school-based celebrations focus on the essence of Catholic education and the contributions made by the Catholic school community to the wider community."

The Halton Roman Catholic School Board's display system, which features students and staff, depicting Catholic Education at its

best, is on exhibition throughout April and early May at Georgetown Marketplace April 10-15 and Halton Hills Civic Centre, May 1-5.
