

Acton Meadows is offering men's and ladies' leagues for avid golfers this season.

Meadows continues with improvements

"Our vision is to be the regions best golfing value offering activities that are enjoyable and accessible for the community" says Al Kavanaugh the club president at Acton Meadows Golf Club.

Along with continued physical upgrades, Acton Meadows will be improving golf activities throughout the '95 season.

The success of the Wednesday Evening Men's League has encouraged the introduction of a Tuesday Evening Ladies' League and a Friday Evening

Mixed Couples League.

These non-competitive leagues are open to all golfers and are an enjoyable way to meet fellow golfers in the Halton Region.

As well Acton Meadows will also be organizing for Halton golfers three Saturday events.

"This is a fun day for everyone," says Kavanaugh.

"The opening of the practice range will enable us to offer clinics and private lessons throughout the season as well," adds Kavanaugh.

Al Kavanaugh took over Acton Meadows Golf Club a year ago and has continued to upgrade the facilities ever since. The clubhouse has been redone and physical improvements have been ongoing.
