

Local municipal politicians Moya Johnson, Kathy Gastle and Mayor Marilyn Serjeantson were among those who took part in the Wastewise Fashion Show, April 25 at Georgetown District High School. The show, sponsored by Elizabeth's Fashions, Cocktail Hour Catering and Georgetown Rent-All, featured fashions from Elizabeth's, as well as some recycled fashions, modeled by the politicians.

## New Women's Centre to open

Beginning Wednesday, May 10, The Women's Centre will be hosting a new drop-in program for women on the second and fourth Wednesday of every month at the Maple Avenue Childcare Centre in Georgetown.

On May 10, a National Film Board video will be screened. Called The Age I Am Now, it is a 28-minute documentary that explores the myths and stereotypes women face as they age. On May 24, there will be a workshop on Anger — A Gift to be Treasured, with Mary O'Brien, MSW. This workshop will demonstrate how valuable anger can be in identifying problem areas in women's lives and how they can use anger constructively. O'Brien is a feminist therapist in private practice and a frequent workshop presenter at the Women's Centre.

Both evenings are from 7-9 p.m. at the centre, 65 Maple Ave., (east of Mountainview), Georgetown.

For information, call Barb Walker-Renshaw at 876-4022.

## Workshop for Mom

Pamper yourself for Mother's Day at the Recreation and Parks Department's Herbal Cosmetic Workshop.

Learn how to make your own facials, footbaths, creams and lotions using a variety of herbs. You will learn the cosmetic properties of herbs and make your own herbal creations. The workshop is on May 13, 10 a.m. to 2 p.m. in Acton on Churchill Rd. at the instructor's home and garden. The fee is \$30 and a potluck luncheon will be held around noon. For registration information please call the Recreation and Parks Department Hotline at 873-2600 ext. 275.

## PARTIAL DENTURES

A partial denture is a removable dental prosthesis that replaces one or more missing teeth. It often has a metal framework, with metal clasps and wires that go around your natural teeth. To hold it in place the teeth that you are missing are added to the framework and the partial denture fits securely around the natural teeth, if you need a tooth extracted after you partial denture has been made, we can simply add a tooth unto the framework you do not need a referral from your dentist. Simply call our office, for a free, no obligation consultation.
