Reynolds leads tyke Gators with three goal performance

The ball bounced the way of the Georgetown Lions, Toronto Truck Centre and Gray Tool as the Georgetown Gators House League Lacrosse season unfolded last week.

In tyke action Toronto Truck Centre relied on three goals from Brett Reynolds to claim a 4-3 win over Sargent Landscaping.

Mitchell Thompson netted the other Toronto Truck Centre goal while Reid Hall was awarded the lone assist of the day. Mike Carter notched a pair for Sargent Landscaping while Jordan Hodnett added the other. Kyle Westwood assisted.

In the novice contest Gray Tool scored an impressive 7-3 triumph over Ken's Auto. Travis Bland and Tim Walinga each scored twice while Brad Norton, Jordan Armstrong, and Aaron Kirk netted singles. Armstrong and Walinga chipped in with two assists each while Kirk added a solo helper.

In bantam play the Georgetown

Lions doubled up on Apple Auto Glass by an 8-4 score.

Greg Bidwell did the bulk of the scoring for the Lions firing the hat trick. Dan Smith and Bill Campbell each added a pair with Jamie Reynolds netting the other. Garth Pride earned a couple of assists while Pete Veltman, Ryan Inglis, Tyler Pearce and Eric Zaborski earned single helpers.

Brydon Butterworth scored two and assisted on another for Apple Auto Glass. Ryan Carter and Josh Travers netted the others while James Boynton and Charlie Brady earned single assists.

The tykes are back on the floor next Monday evening with Toronto Truck Centre tangling with Sargent Landscaping at 6:30 p.m. On Thursday Sargent Landscaping battles John Henderson's Pro Shop in a 6:30 p.m. contest. At 7:30 p.m. on Monday it's the bantams in action.

All games are at Georgetown Memorial Arena.

"Lightscape" your landscape and make your garden glow

Add beauty to your home's exterior, and the landscaping around it, with outdoor lighting. During warm weather, it will extend the use of your outdoors for barbecues, volleyball games, parties or quiet moments.

It is very easy for homeowners to light their outdoor setting both safely and very inexpensive. All types of lighting kits are available to suit every type of individual's needs.

Choices in outdoor fixtures include both regular and low voltage electric power sources. Low voltage must be equipped with a transformer to "step down" the power. Although initial cost may be higher, savings in electricity result.

When creating lighting for your garden you may consider these three basic lighting tech-

niques. Uplighting, this is where the light is aimed out from below. Downlighting, where the light is aimed downward, and thirdly side lighting, where the light is used to illuminate paths.

A very popular type of light that is often purchased is a floodlight.

Floodlights will not only show the beauty of your garden, after dark, but will help to ward off unwanted intruders.

They should be shielded from the weather by being mounted under roof overhangs, on home or garage, or by the fixtures themselves. These shielded outdoor fixtures are sometimes called bullets.

Outdoor lighting can be a very unique way to make your garden glow, that can be purchased for an inexpensive price with an enormous effect.

THIS WEEKLY FEATURE ON HOME IMPROVEMENT IS BROUGHT TO YOU BY THE LOCAL BUSINESS PEOPLE SHOWN HERE. THEY WILL BE PLEASED TO ASSIST YOU WITH ANY OF YOUR PLANS FOR HOME FIX UP.
