

Sheridan Nurseries helps out

To help celebrate Earth Day, Pineview Public School and George Kennedy Public School added a new addition to their school, a tree. With the help of the staff, students and Sheridan Nurseries, the tree ceremonies took place on April 20 and 21. Sheridan Nurseries provided both

schools with an Emerald Queen Maple tree, and the planting service. Sheridan Nurseries is Canada's largest nursery, specializing for over 80 years in growing plants for the Canadian public.

The Georgetown location on Tenth Line, RR4 Georgetown, has been producing

many of these plants for the past 40 years and, last year, announced the opening of a retail farm outlet on the property.

The tree planting not only helped celebrate Earth Day but, it introduces the environmental issues of the importance of tree planting to the school children.
