

660 Cards of thanks

THANK YOU ALL

How does one begin to thank all the warm hearted beautiful people in my life; my dear husband Tom, my four loving daughters, who made this birthday party possible. To all my relatives, friends and acquaintances who came to make my day. Thanks to the people who telephoned or sent birthday cards and good wishes, the beautiful flowers and gifts. Even Mother Nature blessed me with a beautiful sunny day to enjoy outside when my little house filled to overflowing with friends. To my surprise Mayor Serjeantson of Halton Hills presented me personally with a congratulatory certificate from Halton Hills. Also Noel Duignan, M.P.P. for Ontario. Through the mail I received certificates from M.P. Julian Reed, Halton & Peel, Prime Minister, Jean Cretien for Canada, Lieut. Governor of Ontario, Henry Jackman. With all these best wishes for a long healthy life I should live to be one hundred, then we will have another party.
Thank You, Lille Given
