A Rockwood man was charged after a 1987 Dodge went off Mill St., Acton near Dublin Line at 11:30 p.m. Friday. A 26-year-old Acton man, who was a passenger in the car, was taken to Georgetown Hospital following the accident.

Someone broke into a construction trailer used as a lunchroom by Acton Precision Millwrights Ltd. overnight Monday and some cash and a portable phone were taken. The front door had been forced open, police said.

A roof panel from a 1984 Nissan parked on Kingham Rd. was removed between May 13 and 15 and a bike was taken, police said. The value of the missing bike was \$450.

CD player missing

A CD player and ten CDs were taken from a 1991 Chevrolet parked at Georgetown High School after school Tuesday. The value of the lost property is \$500, police said.

Maple Leaf Mills taking steps to stop vandalism

By LISA TALLYN

Staff writer

Maple Leaf Mills, the owners of the former Beardmore property in Acton, intends to take steps to stop trespassing and vandalism there.

Fire Chief Bill Cunningham told councillors Tuesday night the company will have trained guard dogs on the property and increase the number of No Trespassing signs around the old tannery grounds to deter vandals.

Cunningham added Halton police have been given the authority to go onto the property and charge trespassers. Maple Leaf Mills also plans to put a seven-foot fence in front of the entrance to the quonset hut where PCBs are legally stored on the site Cunningham said.

The discussions with Maple Leaf Mills initiated by Cunningham stem from concerns raised at a recent council meeting by Acton councillor Norm Elliot about the vandalism on

the former tannery property and the security of the PCBs stored there.

Cunningham passed around pictures of the exterior and interior of buildings on the property depicting extensive vandalism.

He said the company had taken out an application to demolish the main white office building.

"There are a lot of hurdles to overcome before the permit is ever issued," said Cunningham. "I don't see the buildings coming down in the very near future."

Acton councillor Rick Bonnette asked if the company had been asked about putting a security guard on the property.

Cunningham said the company was not receptive to spending the amount of money required for that and it has been subject to about \$250,000 in damage (according to Maple Leaf Mills) there to date.

Cunningham is arranging a tour of the property for councillors within the next couple of weeks.
