

Erin Ag Society will build on site

At a special general meeting held on May 24 by the Erin Agricultural Society the members present voted in favor of rebuilding the coliseum in time for the 1995 Fall Fair.

The members felt that they could not delay the beginning of construction any longer if a building was to be ready for this year's fair. The proposed structure will be 70 feet by 160 feet and constructed in such a fashion that it would be possible to be relocated to a

different site if necessary at a future date. This building will be situated on the original site. Construction will be in early July.

At the present time, several fundraisers are being planned. A cruise night and 50's, 60's dance will be held on August 12 at the Hillsburgh Community Centre. August 20th the ever popular Demolition Derby followed by a chicken barbecue will be held at the fairgrounds.

The Green Team

Halton Region recently recognized the The Green Team at Holy Cross School for outstanding environmental leadership. The team, which consists of students from different grades, was responsible for initiating

several environmental programs at Holy Cross including pop can recycling, environmental concerts, fundraising for the rainforest, pop tab collection for wheelchairs, and litterless lunches.
