

Buy a java, send a kid to camp

Tim Hortons are gearing up for their annual Camp Day Canada event on June 7 to raise funds for the Tim Horton Children's Foundation. All monies from coffee sales for this 24-hour period are donated by the Tim Hortons store owners to the Foundation, which operates summer camps for deserving children from communities throughout Canada.

"Last year's Camp Day raised over \$850,000, enabling us to expand our work with (4,000) kids in more

communities everywhere in Canada," says Don Schroeder, president of the Tim Horton's Children's Foundation.

The Tim Horton Children's Foundation currently operates summer camps in Parry Sound, Ontario, Tatmagouche, Nova Scotia, Kananaskis Country, Alberta and Quyon, Quebec. Children chosen to attend the camps are given the added thrill of traveling to a part of Canada outside their home region, with all expenses paid.

Happy 40th

THE CORPORATION OF THE REGIONAL MUNICIPALITY OF HALTON NOTICE OF STUDY COMMENCEMENT AND PUBLIC INFORMATION CENTRE/WORKSHOP MAPLE AVENUE TRANSPORTATION REVIEW

The Corporation of the Regional Municipality of Halton has initiated as part of a Regional Wide Traffic Operations Study a *Transportation Review for the section of Maple Avenue (Regional Road 11) between Trafalgar Road (Regional Road 3) and Guelph Street (Highway 7) in Georgetown* (refer to the key plan shown below).

The purpose of the *Maple Avenue Transportation Review* will be to assess and evaluate alternative improvement strategies in order to *mitigate community concerns* relating to high speed traffic, trucking movements, pedestrian safety and vehicular/pedestrian conflicts. Improvement measures to be reviewed will include traditional traffic engineering methods such as improvements in signal timing/phasing, roadway signing, pavement marking and illumination as well as temporary traffic calming techniques such as vertical/horizontal alignment modifications, lane narrowing, street landscaping and pedestrian crossings.

To ensure that the Study goal and objectives are achieved, a fundamental component of the Study will be to actively involve the Public throughout the planning and design stages. In consideration of this, a *Community Outreach Program* has been established to "scope out" the specific concerns of local residents and stakeholder groups within the Maple Avenue area to ensure that their interests and objectives are addressed in a meaningful and responsive fashion.

The initial phase of the *Community Outreach Program*, which includes elements of *education and input*, will be to conduct an information centre/workshop to discuss the Maple Avenue Study and provide the public and stakeholder groups an opportunity to comment, identify issues and provide additional information. The Public Information Centre/Workshop will be held on:

Wednesday, June 7, 1995
Town of Halton Hills Civic Centre
Council Chambers

1 Halton Hills Drive
Georgetown
6:00 p.m. to 9:00 p.m.

Comments and input received as a result of the information centre/workshop will be utilized in the assessment of alternative improvements. Following the assessment and evaluation of alternatives, a second information centre will be held near the end of June 1995 to discuss the findings.

At any time during the Study, the public are invited to comment on the project. Any person or group wishing to comment or require additional information may contact the following:

Mr. Nick Zervos, C.E.T.
Transportation Coordinator
Public Works Department
Regional Municipality of Halton
1151 Bronte Road

THANK YOU!

We would like to thank everyone who came by to see us at our booth at the Georgetown Marketplace April 13th, 15th and again on May 12.

It was a pleasure to speak with all of you.

During those three days, we had tremendous response to our National Contest for the Ford Windstar and our local contest for the \$160.00 of free lawn care. The National Contest will be drawn in November 1995.

In our first mall show in April the Firefly had 222 balloons inside and at our second mall show there were 163 balloons. The winners of our local draws are Don McLean and William Maveal of Georgetown respectively.

CONGRATULATIONS!

Duncan & Eileen Atkinson
