**Avoiding dog**  
 A 1971 Chevrolet, driven by an Acton man, went out of control on Saturday evening while on Third Line near 32 Sideroad. The car was heading south when it came to the crest of the hill and the driver saw a dog in the middle of the road, police said. The car swerved, hit a culvert, went airborne along the ditch and landed on the road, coming to a rest at a culvert. The car was totalled in the accident, police said.

**Several thefts**  
 Stereo equipment and damage to five vehicles in Acton total over \$5,000,

**Police Blotter**

police said. They are investigating the possibility that the thefts are related, since they all happened overnight Sunday. Stereos and speakers were removed from a 1988 Ford parked on Cobblehill Rd., a 1984 Mercury parked on Rosemary St. and a 1993 Ford on Acton Blvd. Speakers and CDs were taken from a 1986 Honda parked at a residence on Hwy. 25, while speakers were taken from a 1990 Suzuki on Wallace St.
