DENTURIST

THE MISINFORMATION PROBLEM

Despite the widespread publicity that attended the efforts of Denturists to secure the passage of legislation that would allow us to deal directly with the public, many people in Ontario are still not aware of what a Denturist is or what services we provide. Since 1970 and particularly since 1974, when the Ontario Legislature passed the "Denture Therapist Act, 1974" many Ontario citizens have directly availed themselves of the services provided by denturists.

"DENTURE THERAPIST"

Compounding the problem of public confusion is the fact that when the Provincial Government finally enacted legislation, they described the services provided by Denturists as "denture therapy" and designated the new dental health worker as a "denture therapist". While all members of the Denturist Association of Ontario are licensed "Denture Therapists" we often use the name "Denturist" because of its familiarity to the public. In addition, like other professions, advertising practices are restricted.

Although less-known than other professions, denturists have never the less provided an important health service to the people of Ontario. Not only does the denturist (Denture Therapist) provide a full range of denture services directly to the patient, but he provides this service at a cost that make wearing dentures possible for many who could not otherwise afford them. There are currently nine provinces and one territory in Canada where this service is possible. Besides Ontario, denturists in British Columbia, Alberta, Saskatchewan, Manitoba, Quebec, New Brunswick, Nova Scotia, Newfoundland, and the Yukon Territory also have the same right to serve the general public. You do not need a referral from your dentist. Simply call our office direct.

WE CARE ABOUT YOUR SMILE!

Village Manor to expand

On Wednesday, June 21, Acton's Village Manor will unveil plans for an expansion to its Main St. facility.

The artist renderings and floor plans will show the expansion plans for: 77 beds, all semi-private and private rooms with private baths, elevator, an upper level residents rooms, outdoor patio and barbecue area. On the main level will be a spacious lobby, nurse's station, health care room, dining room and parlor, general offices, residents rooms, and a storage room. On the lower level will be a conference room, large recreation room, card and craft room, billiard room,

library/quiet room, whirlpool spa, laundry, storage, maintenance and electrical room.

The new Village Manor will accommodate its present residents, individuals who require 24-hour supervision, and retirees who wish to enjoy a lifestyle offering freedom in retirement living. Extra care is always available and is tailored to individual needs.

The unveiling ceremony is scheduled for 2 p.m. and the public is invited to attend. The facility will entertain reservation requests for the new building after the ceremony.

For seniors only

It's 65 cent days at the museum

Seniors are invited to take a trip down memory lane during Seniors' Days June 20 to 22 at the Ontario Agricultural Museum.

Visitors will be treated to old-fashioned musical entertainment and dancing by other seniors. They will also be able to enter a draw to win oldtime ride in a 1928 Model A Ford roadster pickup. The car will be driven around the museum's 80-acre site by a costumed interpreter.

Admission for those 65 and over will be a bargain 65 cents. Regular admission for seniors is \$2.25. Seniors' Days are held annually in honour of Seniors' Month.

Other special activities will include information sessions on health and seniors' activities. Visitors will also be able to view two special exhibits. More than 20 original paintings depicting country

life and Mennonite culture will be on show and for sale in the museum's W. A. Stewart Gallery. The paintings by well-known Waterloo artist Peter Etril Snyder are being exhibited June 10 to July 3. Visitors will be able to enter a draw to win a framed poster by Snyder.

Seniors will also be invited to view a colorful exhibit of more than 40 quilts that were entries in the recent Federated Women's Institute's Centennial Quilt Competition. The display will be in the 6,000 square-foot Gambrel Barn where most Seniors' Days activities will take place. The barn is near the main gate and is wheelchair accessible.

The museum has many hands-on activities, country gardens, crops and livestock. Amenities include a gift shop and restaurant.
