

# ACTON FOR BUSINESS ..... ACTON

Service is the number one goal of father and son team, Jake and Ron Kuiken.

The longtime business partners own Halton Hills Furniture and Appliances and Clocks & Curios Plus, at 17 Mill St. East. in Acton.

"Our goal is to give the best service to the Halton Hills people," says Ron, who operates Halton Hills Furniture and Appliances, a store that has been in business in Acton since 1972. The 8,000 sq. ft. building offers a wide selection of furniture including sofas, dining

sets, mattress sets, bedrooms suites, lamps and more. On the appliance side of the business, the customer will find high quality brand names such as Inglis and Westinghouse among the multitude of kitchen and laundry appliances.

Clocks & Curios Plus, which moved into 17 Mill St. at the beginning of June, is a

great enhancement to Halton Hills Furniture, says Ron. The three-year-old store offers more than 100 different types of clocks, from the small table clock, to the hanging clock to grandfather clocks, plus an assortment of interesting curio cabinets.

The selection is great, but for both businesses the emphasis on customer service is top

priority.

"Our delivery is immediate. We also service everything we sell," says Ron, adding that they will pick up the item from the customer's home, get it fixed, and return it, often the same day.

Looking for new furniture, new appliances, or just items to decorate your home? Be sure to stop in at Halton Hills Furniture and Appliances and Clocks & Curios Plus, they are ready to serve you. For more information call Ron or Jake at 853-4299.
