... Lend Me Your Ears

By Cory Soal R.H.A.D.

"WHAT'S THE SOLUTION TO A NOISY LIFE?"

There are many solutions to coping with noise pollution, but the single most important thing you can do is to make noise when the sounds that surround you are unacceptable. Speak up - to bosses, mayors, police, congress - about noisy neighbours, workplace din, car alarms, inadequate enforcement of laws. Take a stand for serenity and we'll all benefit.

Tooth Chatter by ALEX TRENTON DENTURIST

NEW T.V. AD CAMPAIGN HAS TEETH!

Most people still don't realize that there are over 400 denturists practicing in Ontario. Three 15 second commercials are slated to run on the CBC beginning in June. The television campaign will be augmented with newspaper ads placed by denturists themselves, as well as new brochures and videos designed to help educate the public. Because denturism is a relatively new field, the public needs to know more about the special services that are available.

Denturists are specialists. they study Denturism and general health for a full 3 years, more than any other oral health practitioner.

You do not need a referral. Simply call for an appointment. Our office offers free, no obligation consultations.

WE CARE ABOUT YOUR SMILE!
