Erin Fall Fair will rebuild

Construction has now begun on the new exhibit hall for Erin Fair. Following the fire further funds are still needed to complete the building before this year's fair.

Fair Directors are planning a door to door canvass in the villages of Erin and Hillsburgh as well as a request for donations via the mail from township residents. This campaign will take place in late July or early August.

YOUR SUPPORT IS ONCE AGAIN APPRECIATED!

If you can help in any way contact any Erin Fair Director or mail to the Erin Agricultural Society
