

Plenty of fun planned for summer carnival

If you're in the market for a fun-filled evening, the Town of Halton Hills Recreation and Parks Department has just the answer.

The Recreation Department is once again putting on the Acton Summer Carnival. This year's carnival will run Tuesday evening (July 25) from 6:30 to 8:30 p.m. on at the Acton Community Centre.

The Simpletones, a cappella group which performs at Ontario

Place and outside SkyDome after sporting events, will headline the entertainment.

"It's the best entertainment that we have ever had," says Scott Van de Valk, the carnival's coordinator.

In addition to the Simpletones, children will be enthralled by the spectacular antics of Mad Science, a collection of interactive and hands-on science activities.

Mad Science will also feature a special laser display and indoor fireworks.

In addition, there will be a dunk tank, a jumping castle and fun games created by youngsters at Recreation and Parks Department summer camps.

"There will be stuff there for everyone," promises Van de Valk.

The theme of the carnival is In Harmony and Van de Valk hopes

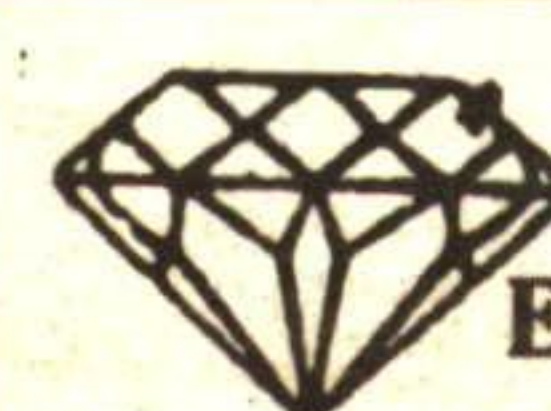

that citizens from all over Halton Hills take part.

Admission into the carnival is free. There is a nominal 10 cent charge for various activities.

Organizers would like to thank Grant Baker of Silver Creek Shell, John Malinosky of Acton Tim Horton's and Dave Krause of Re/Max Suburban and Captain Financial Services for their support.
