Cycling fundraiser for MS

Looking for an unique weekend of volunteering?

Join the fun of the Noranda Forest Multiple Sclerosis Bike Tour, August 19-20.

Six hundred volunteers are required to assist with registration, checkpoints along the route, the start/finish line and set up. Volunteers receive an official Multiple Sclerosis Special Events volunteer T-shirt, meet interesting people and receive specialized training. Call Tracy Hatten at 1-800-268-7582.

The bike tour is a two-day cycling fundraising event, taking cyclists through scenic routes in rural southwestern Ontario.

Participants are provided with a complete package that includes meals, lodging and entertainment as they raise much needed funds for MS research programs and special services for people who have MS and their families.

The Multiple Sclerosis Society chapter in Halton Hills provides services for 53 people with MS and their families.
