Vehicles stolen in Georgetown

Three vehicles and a new tail gate were taken this week in what police believe are unrelated incidents in Georgetown.

A 1987 Buick Grand National, worth about \$15,000, was taken from the driveway of a Maple Ave. residence overnight Wednesday. The car had been locked at the time.

Someone broke into a Shelley St. Georgetown home between Sunday and Wednesday. Some liquor was taken, the house was ransacked and a 1988 Chevrolet Blazer, worth \$6,000 was taken. The house was entered by forcing a back door, police said.

Early Wednesday morning someone took a 1985 Ford Tempo from the underground parking area at 62 Park Ave. in Georgetown. The car was later found on Fallbrook Trail. It had been involved in an accident and sustained about \$1,000 damage, police said.
