

## Cars in Motion at Ag Museum

Cars in Motion '95 is an old car show with a difference. Not only can the whole family enjoy beautiful static displays of automobiles of the past, they will actually be able to ride in them.

And that's not all.

This fun-filled show is being held in the picturesque country setting of the Ontario Agricultural Museum, so in addition to the car show you can also enjoy a living history of Ontario's agricultural past. Real animals, real tractors, real steam engines; they are all here.

The full collection of rural artifacts, interpreted by guides in period costumes, will bring back fond memories of an earlier era. This is, above all, a family event with something for everyone. The museum's display of quilts has been held over from Country Quilt Fest as an addition to this event.

Children will love the remote control cars, special games, and contests, not to mention that favourite seasonal treat, corn-on-the-cob. Everyone will enjoy the antique, classic and special interest vehicles.

If you are interested in learning more about owning and restoring an

older vehicle, you will appreciate a chat with the technicians at the auto restoration display provided by the Guild of Automotive Restorers. The transformation from rust to restored is always amazing.

Rides in older cars will be conducted under carefully controlled conditions on the museum grounds. As they proceed around the course, owners will explain the interesting history and significance of their lovingly restored and cared for machines.

Pack a picnic lunch, or buy food at one of the excellent caterers on the grounds, and bask in our automotive and agricultural past. One admission covers all activities.

The show runs from 10 a.m. to 5 p.m. Saturday, August 26th and Sunday August 27th. Admission: adults \$4.50; youth/senior \$2.25; family rate \$10.

The Ontario Agricultural Museum is conveniently located just off Highway 401 between Toronto and Kitchener. Take Highway 401 to Guelph Line (Exit 312) or Highway 25 (exit 320) north.

The museum is open daily until September 24, 1995. For more information call (905) 878-8151.

## GRCA to hold monthly meeting

The August meeting of the GRCA General Membership will be held on August 25 at 10 a.m. at the Luther Marsh Wildlife Management Area. The meeting will be held at the Ministry of Natural Resources staff house at Luther. For directions, please contact the GRCA.

This change of venue allows GRCA members to meet local municipal representatives and

familiarize themselves with the northern reaches of the Grand River watershed. The GRCA's General Membership consists of 26 members appointed by municipalities across the Grand River valley and three provincial appointees.

Meetings are ordinarily held on the last Friday of the month at the GRCA Administration Centre in Cambridge.
