

# CHEEKERED FLAG VALUES

## HEY HALTON HILLS LOOKING FOR A DEAL?

1996 Jeeps, Intrepids, Stratus' & Mini Vans have arrived.

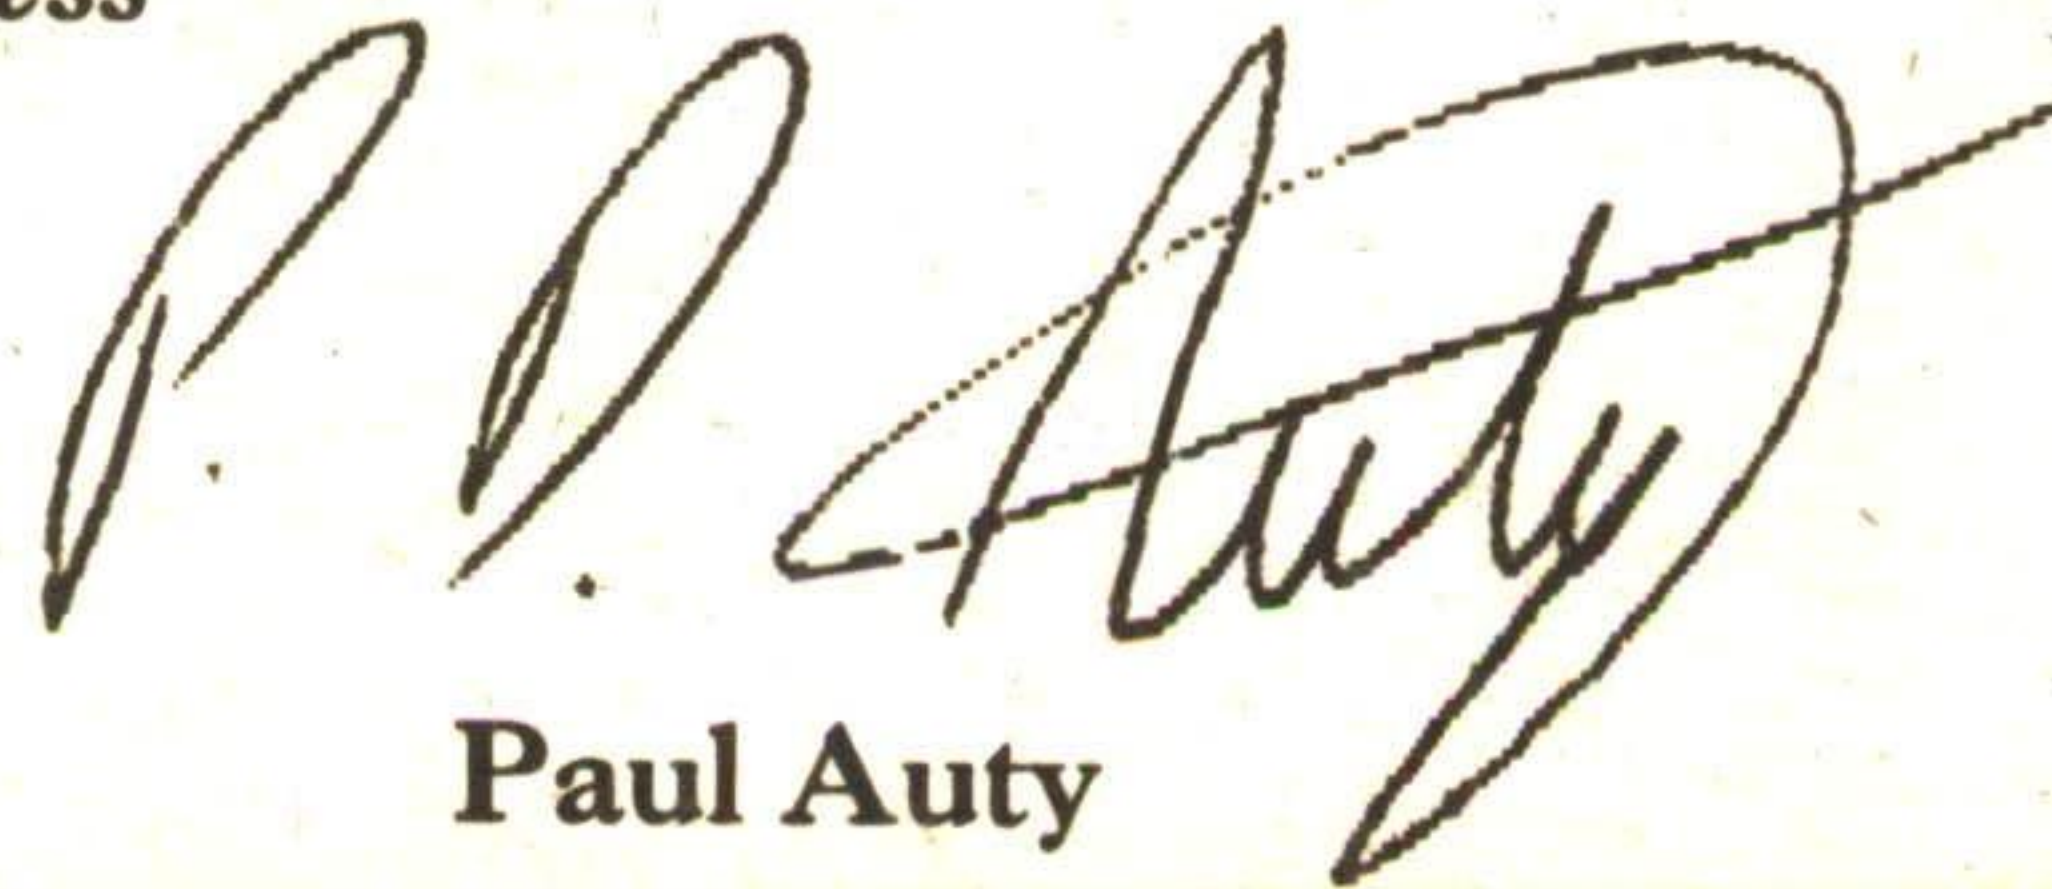

- NO we don't HAVE to make room. We have loads of space.
- NO there is no MAJOR panic!
- NO we have not slashed prices.  
Below cost!
- NO the rebates & low interest rates do not end tomorrow!

THE TRUTH IS: I pay interest on each vehicle every month.  
The longer it sits the more my operating costs go up.

SOOOOO . . .

I am motivated to sell our '95 products at lower than normally accepted levels. The reason you should consider owning now as opposed to late fall is because of selection. Ontario only has so many cars & trucks left. We will get any one you want! Heck, my little store delivered 74 vehicles in July. Our products move fast, Chrysler will not increase rebates at model year end. What are you waiting for?

*Yours in business*

P.S. You'll love the way we do business.
