Treefest '95 set for Saturday

Have you ever wondered how or why lands are reforested? How to manage that woodlot at the back of the farm?

These questions and many more will be answered at Tree Fest '95 to be held Saturday September 30, at the St. Williams Forest Station, 9 a.m. to 4 p.m.

Organized by Conservation Authorities and the Ministry of Natural Resources, events are designed for the whole family and will include displays, equipment, woodlot and nursery tours, nature walks, draws and kids games. Food, refreshments and picnic areas will be available.

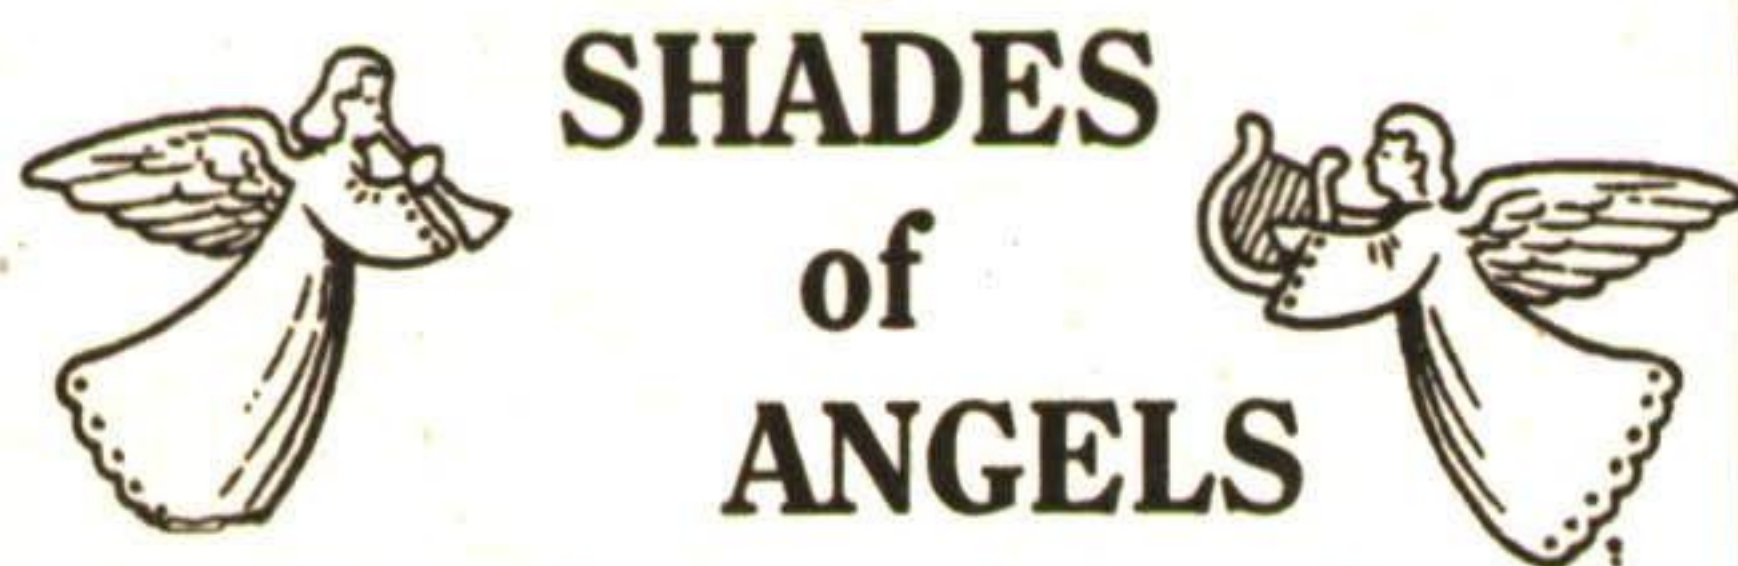

There will be lots of information on how to plant and care for trees, species availability, woodlot and plantation management, agroforestry, watershed management and a visit from Smokey the Bear.

"Trees play an important role in our lives and Tree Fest '95 provides an opportunity for the public to learn more about trees from seed to mature forest, wood products and more, says Credit Valley Conservation Forester Bob Baker.

Single entry is \$4, \$10 for families and children under 6 are free.

For more information you can call Bob Baker direct at 1-800-668-5557 ext. 244.
