## EVERYTHING YOUR FINANCIAL INSTITUTION SHOULD BE

- Quick to respond to your needs** We don't have to go to Toronto for decisions. We make our own decisions and we do it quickly.
- Committed to the Community** We are a local company and we support the communities in which we operate. We do this with donations, sponsorships, awards and with involvement in organizations such as the United Way, Chamber of Commerce, Junior Achievement, and the Christmas Cheque Shop Local Program. We don't invest your money in foreign countries. We put your money back into the local economy by lending to Halton residents by way of mortgages, consumer loans and small business loans.
- Friendly** Credit Unions have a reputation for friendly service, and we invite you to see for yourself the difference a smile makes.
- Professional** Our staff are committed to providing the very best service and are continuously upgrading their knowledge levels through related educational programs.
- Up-To-Date** Yes — we do have Interac cards, ATM's, MasterCard and much more.

Why not come in and see us?

We're the **HALTON COMMUNITY CREDIT UNION** and we're right in your neighborhood.
