SEAT BELTS SAVE!

Once again in October, people throughout the province, led by the police, will be stressing the fact that "Seat Belts Save".

This slogan has been chosen to emphasize that the correct and consistent use of seat belts save lives; save dollars spent in medical, insurance and legal costs; save time lost from work, home and school, save people from experiencing the emotional and physical aftermath of injury; and save police officers time spent in collision investigation.

This Important Reminder about SEAT BELTS

Is brought to you by this newspaper and these fine sponsors who are concerned for your safety on the road.

Whenever you're driving and wherever you're bound...

BUCKLE UP. After all, safety belts have saved almost 25,000 lives in the last 10 years. For pointers on auto safety, see me, your State Farm agent.
