JAKE'S AUTO Services Ltd.

BRAKES
MUFFLERS
FRONT END
SUSPENSION
FRONT-WHEEL DRIVE

KEEPS YOUR WHEELS IN GOOD RUNNING ORDER

Unit 4-5 ARMSTRONG AVE., Georgetown (905) 877-6353

Due to today's uncertain economic climate, more and more people are holding on to their aging vehicle for longer periods of time. The best way to save money in the long run is to pay close attention to how your vehicle handles and sounds, and avoid putting off service work. It's like going to a dentist; no one likes to do it, but it is a must.

Choosing the wrong person to repair or maintain your car can often lead to disappointments and aggravation. The most important thing to remember when choosing an auto repair centre is that the shop is only as good as the mechanics working in it.

JAKE'S AUTO SERVICES LTD. is one of approximately 500 members of the **AUTOPRO** association, a network of under-the-car specialists that offer a free inspection, and a nationally recognized guarantee on parts for many specialty repair services: mufflers, brake work, suspensions, shock absorbers and struts, and front wheel drive work. This firm is a Motor Vehicle Inspection Station. They also retail Dayton tires, and provide automotive air conditioning service. **JAKE'S** uses quality UAP/NAPA replacement parts which meet or exceed the original equipment manufacturers (OEM) specifications.

JAKE'S AUTO SERVICES LTD. opened 18 years ago and is owned by licensed mechanic **JAKE ADEMA** who has been involved in the auto repair industry since 1970.

The staff at **JAKE'S AUTO SERVICES** update their training and equipment to coincide with the changes in technology, and are equipped to repair your domestic or import vehicle right--the first time.

CREATING A NEW LEVEL OF CUSTOMER SERVICE

15 MOUNTAINVIEW RD. N., Georgetown (905) 877-2296 (at Todd Rd.)

Today's new car buyer can choose from well over 500 different models worldwide. Perhaps the most serious decision, equally as important as what to buy, is where to buy it.

The success of **GEORGETOWN TOYOTA 1991 LTD.** may be attributed to the extended in-stock selection of Toyota vehicles which are displayed on the lot. Their success is more likely due to their commitment represented in the form of helpful customer service from the support staff. Customers feel comfortable and free from pressured sales. They are also assured of factory trained mechanical service after the sale, with genuine Toyota parts made for their vehicle.

Originally established in November 1979 on Guelph St., this progressive, community-minded dealership was relocated in 1992 to the current site, at which time it came under new management. Dealer Principal **TOM CHEHADI** and General Manager **SHAWN McCALLUM** are assisted by a knowledgeable, competent staff in every department.

The 1996 model line-up at **GEORGETOWN TOYOTA** offers special feature packages on Toyota Tercel, Corolla and Camry, with a host of extras at a value price. Due in January 1996, is the much anticipated release of the newly redesigned Toyota 4Runner 4x4 sport/utility vehicle. It will make use of the next generation in engines found in the new Tacoma pick-up, offering more horsepower, with better fuel economy.

GEORGETOWN TOYOTA 1991 LTD. offers a smart way to get your new car, van or truck with their leasing plan. Ask their leasing specialists about the details!

The Brew FACTORY

CORP.

THE NATURAL ALTERNATIVE THAT COSTS LESS!

332 GUELPH ST., Georgetown (905) 873-2739

The initial lure to "you brewed" beer was often the price advantage over store bought labels. What really keeps customers coming back to **THE BREW FACTORY** is the fact that they appreciate the incredible taste of their preservative-free fresh brew and the ease in which it can be created by you.

The beer "cooking" process takes a little over an hour in one of 6 custom designed kettles for a consistent final product. After a 2 week fermentation, you come back to **THE BREW FACTORY** and bottle your cold filtered, carbonated, crystal clear brew to take home and enjoy right away. You can choose from a wide variety of beer styles ranging from domestics to imports and specialty beers.

If your busy schedule doesn't permit you to make your own, you can still enjoy the great taste of U-brewed beer. **THE BREW FACTORY** can "cook" it for you; all you have to do is pitch the yeast, and then bottle your finished beer 2 weeks later.

For those who prefer the taste of a fine red or white wine, **THE BREW FACTORY** can help you to create a batch of wine in just 4-6 weeks. The taste is comparable to a store-bought wine, with savings less than half when you make your own. The staff can advise you on the choice of wines, and supply one of the biggest selections of labels & shrink wraps to dress your bottles tastefully.

THE BREW FACTORY opened in November 1990 in Brampton, as the 10th Brew-on-Premise in Ontario; it was the foundation for a network of 7 franchise locations now operating. This store opened in 1992, and is owned by **MANFRED FLEISCHMANN**.

Come into **THE BREW FACTORY** now to have your beer and wine ready for family & guests over the Christmas holidays!

Camden Carpet & Interiors

MAKING BEAUTIFUL HOMES, ONE CUSTOMER AT A TIME

UNIT 6-348 GUELPH ST., Georgetown (905) 873-2526 (Knolcrest Centre) also in Bolton

If you are planning to remodel with new floor coverings, make a note that the variety of carpet styles and flooring options today is unsurpassed. The consumer is left with sifting through the facts to make an informed decision.

The most visible change in carpeting since the 1970's is the larger colour selection. Shades now cover the spectrum from mauves to teals and forest greens. A current trend is towards textured and trackless carpet that shows less footprints.

Wear dating ensures a long lasting value. New premium fibres used in today's carpeting are extremely stain resistant, allowing easy removal of soil by vacuuming.

CAMDEN CARPET & INTERIORS showcases a good in-stock selection of floor covering samples in the newest generation of Camden carpet products. The experience and product knowledge of store manager **MARTHA CAMERON** and the staff should help you choose the appropriate colour & style to suit your floor covering needs and budget.

CAMDEN CARPET & INTERIORS features resilient, no-wax flooring from Armstrong where high traffic, high spill areas call for a low maintenance finish. Many of their customers have chosen the natural warmth and warm rich glow that Bruce or Robbins hardwood flooring imparts. They also carry a selection of area rugs, as well as Louvolite blinds for your windows.

By promoting customer education and a fair price along with professional installation of everything they sell, **CAMDEN CARPET & INTERIORS** assures a valued purchase for your family's needs.

THE PICK OF THE CROP

UNIT 27-354 GUELPH ST., Georgetown (905) 873-1655

The auto glass replacement market has become very competitive, with each centre enticing motorists with special deals, discounts and payment of insurance deductibles. It is wisest to base your final decision on who can do the best job.

A poor installation can compromise your safety in the event of a collision, as the windshield plays an integral role in the vehicle's structure, as well as safe & proper deployment of the air bag restraint.

After removing a damaged windshield, the experienced technicians at **APPLE AUTO GLASS** apply an insulating urethane sealant as specified by the manufacturer, and set in the new windshield quickly and properly. The result is a leak-free installation that is fully guaranteed, backed by their "BOND FOR LIFE®" policy.

APPLE AUTO GLASS is an all-Canadian company which originated in June, 1983, and now has over 125 locations from coast to coast. The Georgetown dealer opened in February 1984, and is franchise owner-operated by **DEREK HAZELWOOD**.

APPLE AUTO GLASS provides repairs for bulls-eye chips on windshields, and auto glass replacement performed both at the shop or with a mobile service at no extra cost, if necessary. These insurance claims specialists can also provide seat repairs and custom upholstery for boats, motorcycles, snowmobiles and motor vehicles, re-carpeting, convertible and vinyl tops. They feature many improvement items for the car, pick-up or van.

APPLE 2000, an inexpensive, "invisible" and effective anti-theft device, can be installed by your local **APPLE AUTO GLASS** centre, with a one-year parts & labour warranty.
