"MIFFED"

AT LOCAL CAR DEALER!

Yes, it's true. We are guilty of occasionally peeving off potential buyers from outside our area. Why? Unless a local resident insists Aunt Millie from Espanola acquires her new Stratus from us, we would prefer she do business closer to home.

New breed car dealers are not the greedy seedy meanies of days gone by. Philosophies have changed. I am quite content serving the community of Halton Hills. There is plenty of local business to go around. We are very busy! Look at our depleted inventory! We have over 2 million dollars worth of cars and trucks on order, I wish they were here today!.

My goal is to satisfy local demand for Chrysler/Jeep Products & Service. Being the biggest is not in the plans. Being recognized as a quality place to work and do business is what we are developing.

Remember to proudly state your Halton Heritage and you will experience a desire to earn your business unlike you've ever seen before.

If you have any questions or concerns, that went unanswered, please phone us directly.
