Town surveys public

Starting Monday, the Town of Halton Hills will be distributing, randomly, its Service Review Survey to 2,600 households. It's designed to solicit opinion from town residents about the relative priority of 29 town services, the level of service, and method of delivery. The same survey will also be distributed to town council members and staff to also measure their opinions. Members of the public who receive the survey are asked to complete the questionnaire and return it before November 15. In order to ensure confidentiality, completed questionnaires are to be mailed to a private tabulation firm, in the stamped pre-addressed envelopes provided with the survey.

Nominate a local achiever

The Town is seeking nominations for the Municipal Awards Evening. Recognition is given to individuals, groups, or teams who, in 1995, have achieved provincial fame or better in an activity unrelated to their means of livelihood. To nominate a person or an organization, pick up a nomination form at any Town facility. If you would like further information call 873-2600, ext 261.
