

GHOSTLY-GOOD SAVINGS

Want To Hear Something Scary?

Our second wave of 1996 Caravans and Voyagers has arrived. Our first shipment of 30 is gone! This new batch got here just before the October 23rd price increase. Take advantage until next Tuesday of what we are calling our **Price Protection Sale.**

We don't have a sale very often. We feel it is an overused gimmick in the industry. What we are telling you is that Chrysler Canada has issued an "Across the Board" price increase on all vehicles. We are delaying marking up our inventory till Hallowe'en because we felt introductory prices were scary enough.

Once again this is strictly a local ad. We will only extend these savings to residents of Halton Hills. You will NOT see our ads in Brampton, Milton, Toronto, etc. I hope I am very clear in my effort to secure as much local business as possible. We can only continue as our customers suggest to be the "Talk of the Town" if we persist in our dedication to turn you into a "Raving Fan" of this dealership. Credibility is very important to us. Come see what we mean, it's scary.
