Expanded selection and hours Volunteers renovate hospital boutique

The front lobby of Georgetown Hospital got a facelift this summer and the hospital boutique was renovated at the same time.

The boutique was officially reopened recently, only four days after Inez Crichton, the chair of the gift shop committee who oversaw the changes, suffered a heart attack. Crichton came out of the Intensive Care Unit for a short time during the opening ceremony.

About \$15,000 was spent upgrading the boutique, which now has a wide selection of items for sale and extended hours, said Ken

Kavanagh, treasurer of the Georgetown Hospital Volunteer Association. The renovation was a major project for the hospital volunteers, who turn all the money they make over and above expenses over to the hospital for special projects.

The renovation carries the colors of the lobby into the new store and was an opportunity to increase the selection of items available in the store. These include toiletries, flowers, greeting cards, a wide assortment of magazines and snacks, Kavanagh said.

There is also a full range

of gifts, including plush toys, children's videos, baby clothing, hand-knitted items and ceramics.

The store is open Monday to Friday, 10 a.m. to 4 p.m. and 6:30-8:30 p.m. and Saturdays and Sundays, 1-4 p.m. and 6:30-8:30 p.m.

The lobby hadn't been upgraded for many years, said Linda Dawson, director of support services. The hospital board decided in the spring to upgrade the area and spent \$12,000 on the project. The work was completed in September and took four or five weeks, she said.
