History in the classroom: Students at Park School had a chance to hear firsthand about the experiences of Doug Sargent, a Georgetown resident who was a pilot during World War II.

Veterans receive commemorative pins

By FLO CARSWELL
 Branch 120 P.R. Officer

Members attending the general meeting on Nov. 9 enjoyed a presentation made by members of the Hamilton Holland Club. A pin was presented to each veteran or widow of a veteran present at the meeting. The pin commemorates 50 years of freedom made possible by the Canadian soldiers.

The Poppy campaign came to a close last Thursday, the parades of Remembrance have ended and the dinner of Remembrance is over. The weather on the 11th was bad but we have some staunch members who went out for the service. The dinner was well attended and enjoyed. Our speaker was Lt. Col. J.M. Anderson M.C. and Bar. His comments on the war were interesting and very witty. The dance went on until closing (and after).

Now that poppy will be put aside, memories of the dinner and the parades will fade, but the reason for it all will remain, for in the coming months "We Will Remember Them."

Back to business

By MIKE MANUEL
 Branch 197 P.R. Officer

After the Remembrance Day's activities it is back to normal for Branch 197. Once again I would like to thank everyone for their participation in making these important few days something that will remain with us for a very long time.

The following activities should be noted: Nov. 24 - Initiation Night at 7:30 pm, Nov. 25 - Beef Draw, Dec. 9 - Turkey Roll, Dec. 31 - New Year's Eve party, Jan. 1 President's Levee.
