

# Busy month for GDHS students

Another busy month for GDHS! Mid-term reports were sent at the beginning of the month and there was a great turnout of parents for interview night. As we head into the last third of the semester, staff and students already have final examinations on their minds.

At the Remembrance Day program, Legion members school staff, and school music groups provided a moving tribute to past sacrifices and a reflection on wars, past and present.

Thursday, the "CHAT" (Community and Hospital Against Trauma) assembly aimed to educate students about injury prevention and the hazards of risk-taking. As a follow-up to the assembly, 30 students will have the opportunity to spend a day with health professionals at Hamilton Civic Hospital. Parents are also invited to the assembly which begins at 2:15 p.m. in the cafetorium.

GDHS students continue to

shine, in their academic efforts and achievements, sportsmanship, and in their involvement in school and community.

The Optimist Club of Georgetown recently honoured three GDHS students for their contributions to school, community and family life and hosted a dinner for the students and their parents. Five students travelled to Vermont to participate in the North Atlantic Region D.E.C.A. conference. D.E.C.A. is an organization which promotes leadership development for students involved in business studies.

As several of our sports seasons draw to a close, thanks are due our school and community coaches for their commitment to teaching the kids the attitudes which make every team and student player winners, irrespective of the game scores. Many thanks also to our enthusiastic parent and community fans and sponsors.

Special congratulations to the cross-country and midget boys' volleyball teams which brought home Halton championships and to our senior boys' volleyball team which reached the Halton finals.

Fund-raising for activities and trips continue. Quality cheese products and gift baskets may be ordered through the Moderns Department.

Upcoming Events: Friday, December 1: Parent Advisory meeting. 1:00 p.m. in the school library. Special guest Ted Chudleigh, MPP.

Are you experiencing more pain than joy in your relationship?

Do your best efforts to mend your relationship problems end in misunderstandings and frustration?

Do the good times that keep your relationship together seem all but forgotten?
