MAKING MIRACLES HAPPEN

The Children's Miracle Network (CMN) represents more than 160 hospitals for children throughout North America. These hospitals have been specifically selected because of their commitment and excellence in treating children. CMN Hospitals serve over 2 million children each year in Canada and our own local affiliate - the Hospital For Sick Children - handled over 1180 patient visits just from Georgetown between Sept. 1994 and Aug. 1995.

I believe that when you live in Halton Hills you get a lot more than a house. You get an entire community - a way of life and a great place to raise your family. The health of our kids is an important part of this package. That's why, from now on, I will be making a donation to the HOSPITAL FOR SICK CHILDREN on behalf of clients who buy or sell real estate through me.

So, if you are thinking about buying or selling, please give me a call. I can answer your real estate questions and tell you more about CMN at the same time. Perhaps together we can help to "make a miracle happen".

Thank you.
