For the Fun of it

Where Have We Been? Where Are We Going?

by Kathy Lamancusas

With the start of the new year, it is good to look back and review where you have been and the growth each family member has achieved physically and emotionally over the past year. Make a big bowl of popcorn or prepare another favorite family treat. Set one night aside and watch old family movies or go back through the family photo albums and update those you have gotten behind on. Let family members take turns sharing memories as you review the photos. (It's amazing how many different memories accompany each photo!)

Chocolate Pizza

GET READY...

- 1 tube of chocolate or chocolate chip refrigerator cookie dough
- 1 tub of ready-made frosting (vanilla or chocolate)
- Assorted colorful chocolate candies, sprinkles, etc.

GET SET...

- Preheat oven to 350°. Have an adult help you with the oven so you don't get burned.

GO!

1 Take cookie dough from refrigerator. On a greased cookie sheet or metal pizza pan, press cookie dough out until it is about 1/4" thick. You can trim the edges so it is round, or make it any shape you like. Bake the big cookie for 12-15 minutes or until done. Let cool on a wire rack.

2 When the cookie is cool, spread a thin layer of frosting on top. Decorate it with assorted candies, sprinkles, etc.

3 Eat a slice with a big glass of milk!
