

Community meeting planned

By JULIE POMEROY

Norval News

Come out and get involved in the community.

There is a general Community Association meeting scheduled for Jan. 18, 7:30 p.m. at the Parish Hall in Norval. At this meeting there will be a committee report on what was accomplished in 1995 and new members of the community may be elected to replace retiring members of the executive committee.

The guest speaker, yours truly, will give a brief presentation on birds and feeding.

The Norval Community Association is comprised of a general membership. In 1995 there were 44 paid up members, however, many people helped at events that did not pay the \$5 membership fee. The president of the community association is elected by the general membership and there is an executive committee comprised of 11 members including the president.

The present committee is: Bob Crawford (president), Ruth Thompson (vice-president), Joan Carter (secretary), Ted Thompson (treasurer), Nell Bloomer, Maria

Britto, Barb Fuller, Greg Fuller, Marj Harrison, Bob Kipfer, Diane Pooke.

If members of the committee decide not to run again, new members will be elected. There will be at least one seat to fill, so put on your thinking caps. If you have someone in mind who is well suited for the executive committee, call me at 905-846-5000 or call Marie Carney.

The nominations will be ratified by the general membership at the meeting. The president appoints the officers of the committee for ratification by the executive.

A major issue facing the community in the near future is the widening of Hwy. 7 into four lanes through the village. It is a serious problem for many homeowners along the highway and it would destroy the character of the village forever. Imagine the noise, confusion, what it would be like trying to cross the road to the post office, or how it would affect an evening stroll to the Heritage Garden.

So come out and get involved. Everyone is welcome, even if you don't actually reside in Norval.

To the family of our late Comrade Jim Collier, we extend our sincere sympathy. Comrade Collier served with the Lorne Scots from April 1941 to September 1944. He joined the Legion in 1945 and has served the branch well in the past 50 years, as long as his health permitted.

Dec. 31, many members and friends gathered in the lounge to bring in the new year. At midnight everyone wished everyone else a Happy New Year, by 1 a.m. the halls were quiet and so the year ended. The New Year began with the President's Levee which is held to thank those who had given of their time and energy for the good of the branch.
