

# Pineview computers stolen

By Sgt. ROD CLIFFE  
Crime Stoppers of Halton

A school in the Georgetown area of Halton Hills has started the new year with a shortage of computers after a burglary, and investigators would appreciate hearing from anyone who may be able to help get the equipment back.

On Jan. 2, someone forced a window at the rear of Pineview Public School on 5 Sideroad. It is believed the entry was made shortly before 6:45 a.m. Once inside, the thief entered two classrooms and took a total of four Apple computer hard drives, monitors, keyboards and a printer.

The initial police estimate for the value of the stolen property was placed about \$6,000.

Crime Stoppers would be interested in hearing from anyone who may know who is responsible for this entry, or from someone who may have information about the vehicle used to carry the equipment off.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information can be taken with complete anonymity. Crime Stoppers doesn't subscribe to Call Display. Please call 1-800-668-5151 or 825-TIPS.

**Business break-in**  
An employee heading to work at 4 a.m. Wednesday morning noticed an air conditioner had been removed from a printing business on Guelph St. Police were notified and found that someone had removed the air conditioner to gain access to the building. About \$2,000 in computer equipment had been taken overnight.

**Vehicles damaged**  
Ice was thrown at two vehicles parked at a Guelph St. towing service on Christmas Day. But the incident, which resulted in \$250 damage, wasn't reported until Wednesday.
