

655 In memoriam

MURRAY, Andrew N. - In loving memory of a dear Husband, Father and Grandfather who passed away, January 29, 1985.
Every day in some small way,
Memories of you come our way.
No longer in our lives to share
But in our hearts, you are always there.
Love always from your wife Margaret, Children and grandchildren.

SEATON - Leslie M. - In loving memory of a dear father and grandfather (Pom Pom) who passed away January 30, 1994.
The special years will not return
When we were all together,
But with the love within our hearts
You will be with us forever.
Love always
Maureen, Jim, Laureen,
Denise, Sandra and Jamie

SEATON, Les - In loving memory of a dear husband who passed away January 30, 1994.
We often think of bygone days
When we were all together
The family chain is broken now
But memories will live forever
Love always,
Josie xxx000

KA-BOOM! YOU JUST GOT HIT BY THE POWER OF NEWSPAPER

You never saw it coming. You were thumbing through the paper, minding your own business. When suddenly this ad caught your eye. And your interest. Newspapers don't read themselves, you know. It takes two, a newspaper AND YOU!

That's why newspaper is such a powerful advertising medium. It requires your full attention and complete concentration. The radio can be playing to nobody in particular, and the TV can be on in an empty room. But when people turn to their paper, they turn there with interest. Which means that's where your advertising message needs to be.

With all the choices available, it's difficult deciding how best to advertise your business. But everything becomes a little simpler when you remember one rule...

YOU GOTTA BE IN THE PAPER.
