

WHITE CANE WEEK

February 4 - 10, 1996

A Fifty year celebration of the White Cane as a symbol of blindness, courage and independent spirit

The Canadian Council of the Blind (CCB) and The Canadian National Institute for the Blind (CNIB) celebrate the 50th Anniversary of White Cane Week in Canada from February 4th to 10th, 1986. This blindness awareness week brings to the attention of communities across the country, the abilities, concerns and needs of people who are blind, visually impaired, or deaf-blind. White Cane Week is a time to talk about how blind people overcome incredible obstacles to pursue an independent life.

ALEX TRENTON DENTURIST

DENTURE MISHAPS!

Denture wearers unite! You are not alone! To anyone who at one time or another has had an embarrassing, frustrating, or unfortunate accident or incident with their dentures, I would like to share these light hearted stories.

While working in the denture business for over thirteen years, I believe I have heard just about everything there is to hear about denture mishaps. Although each new story somehow tops the one before! It's hard to believe what some people have gone through to rescue their prosthetic pals, left defenselessly falling prey to pets, small children, toilets, and more. For instance, you've heard of "occupational hazards?" Well believe me, when it comes to being on the job and wearing dentures, it can also be quite hazardous to the old pocket book! Like the construction worker who was 15 stories high on scaffolding. He sneezed, and watched helplessly as his upper denture plummeted to the ground! He found the denture in tiny pieces scattered in the dirt. I hope he at least gave it a descent burial!

And speaking of burials, another man, while building his house many years ago, sneezed his denture into the cement while he was pouring the foundation! Talk about giving your house that personal touch.

You do not need a referral; simply call our office direct.

WE BUILD BEAUTIFUL SMILES!

Keeping on her toes !

Carolyn Miles and the members of the Acton School of Dance performed their annual winter recital at St. Alban's Church on Saturday. The school, which began in 1984, has 75 members. About 20 took part in the recital.
