

Hollywood House to re-open

By **JULIE POMEROY**
Norval News

An Evening of Music and Worship was held by the Norval Presbyterian Church on January 21. It was an appealing mixture of old and new gospel favorites, singing and classical performances led by Dr. John Derksen and his wife Kristen Derksen on flute.

Don't miss the next Evening of Music and Worship scheduled for February 18, at 7:30 at the Union Presbyterian Church. It will be a Mardi Gras celebration, led by Hugh Donnelly.

Hollywood House

At the Norval Community Association Meeting held on

January 18, Frank Amendola announced that the Hollywood House will become a sports bar/steak house. Frank and his brother Bruno are the new owners of the hotel. They hope to have renovations completed by April.

Christmas Bird Count

Results of the 1995 Christmas Bird Count, held December 30, 1995 by the Halton-North Peel Naturalists Club are now available. Norval residents Gerry and Denise Doekes were among the 29 people who took an active part in counting over 11,000 birds in a 24-hour period. A circle of 15 miles diameter was selected with a center located just south of Stewarttown.

Identification, counting and recording of birds within this boundary included Norval, Georgetown, Acton, Milton, Terra Cotta, Huttonville and Hornby.

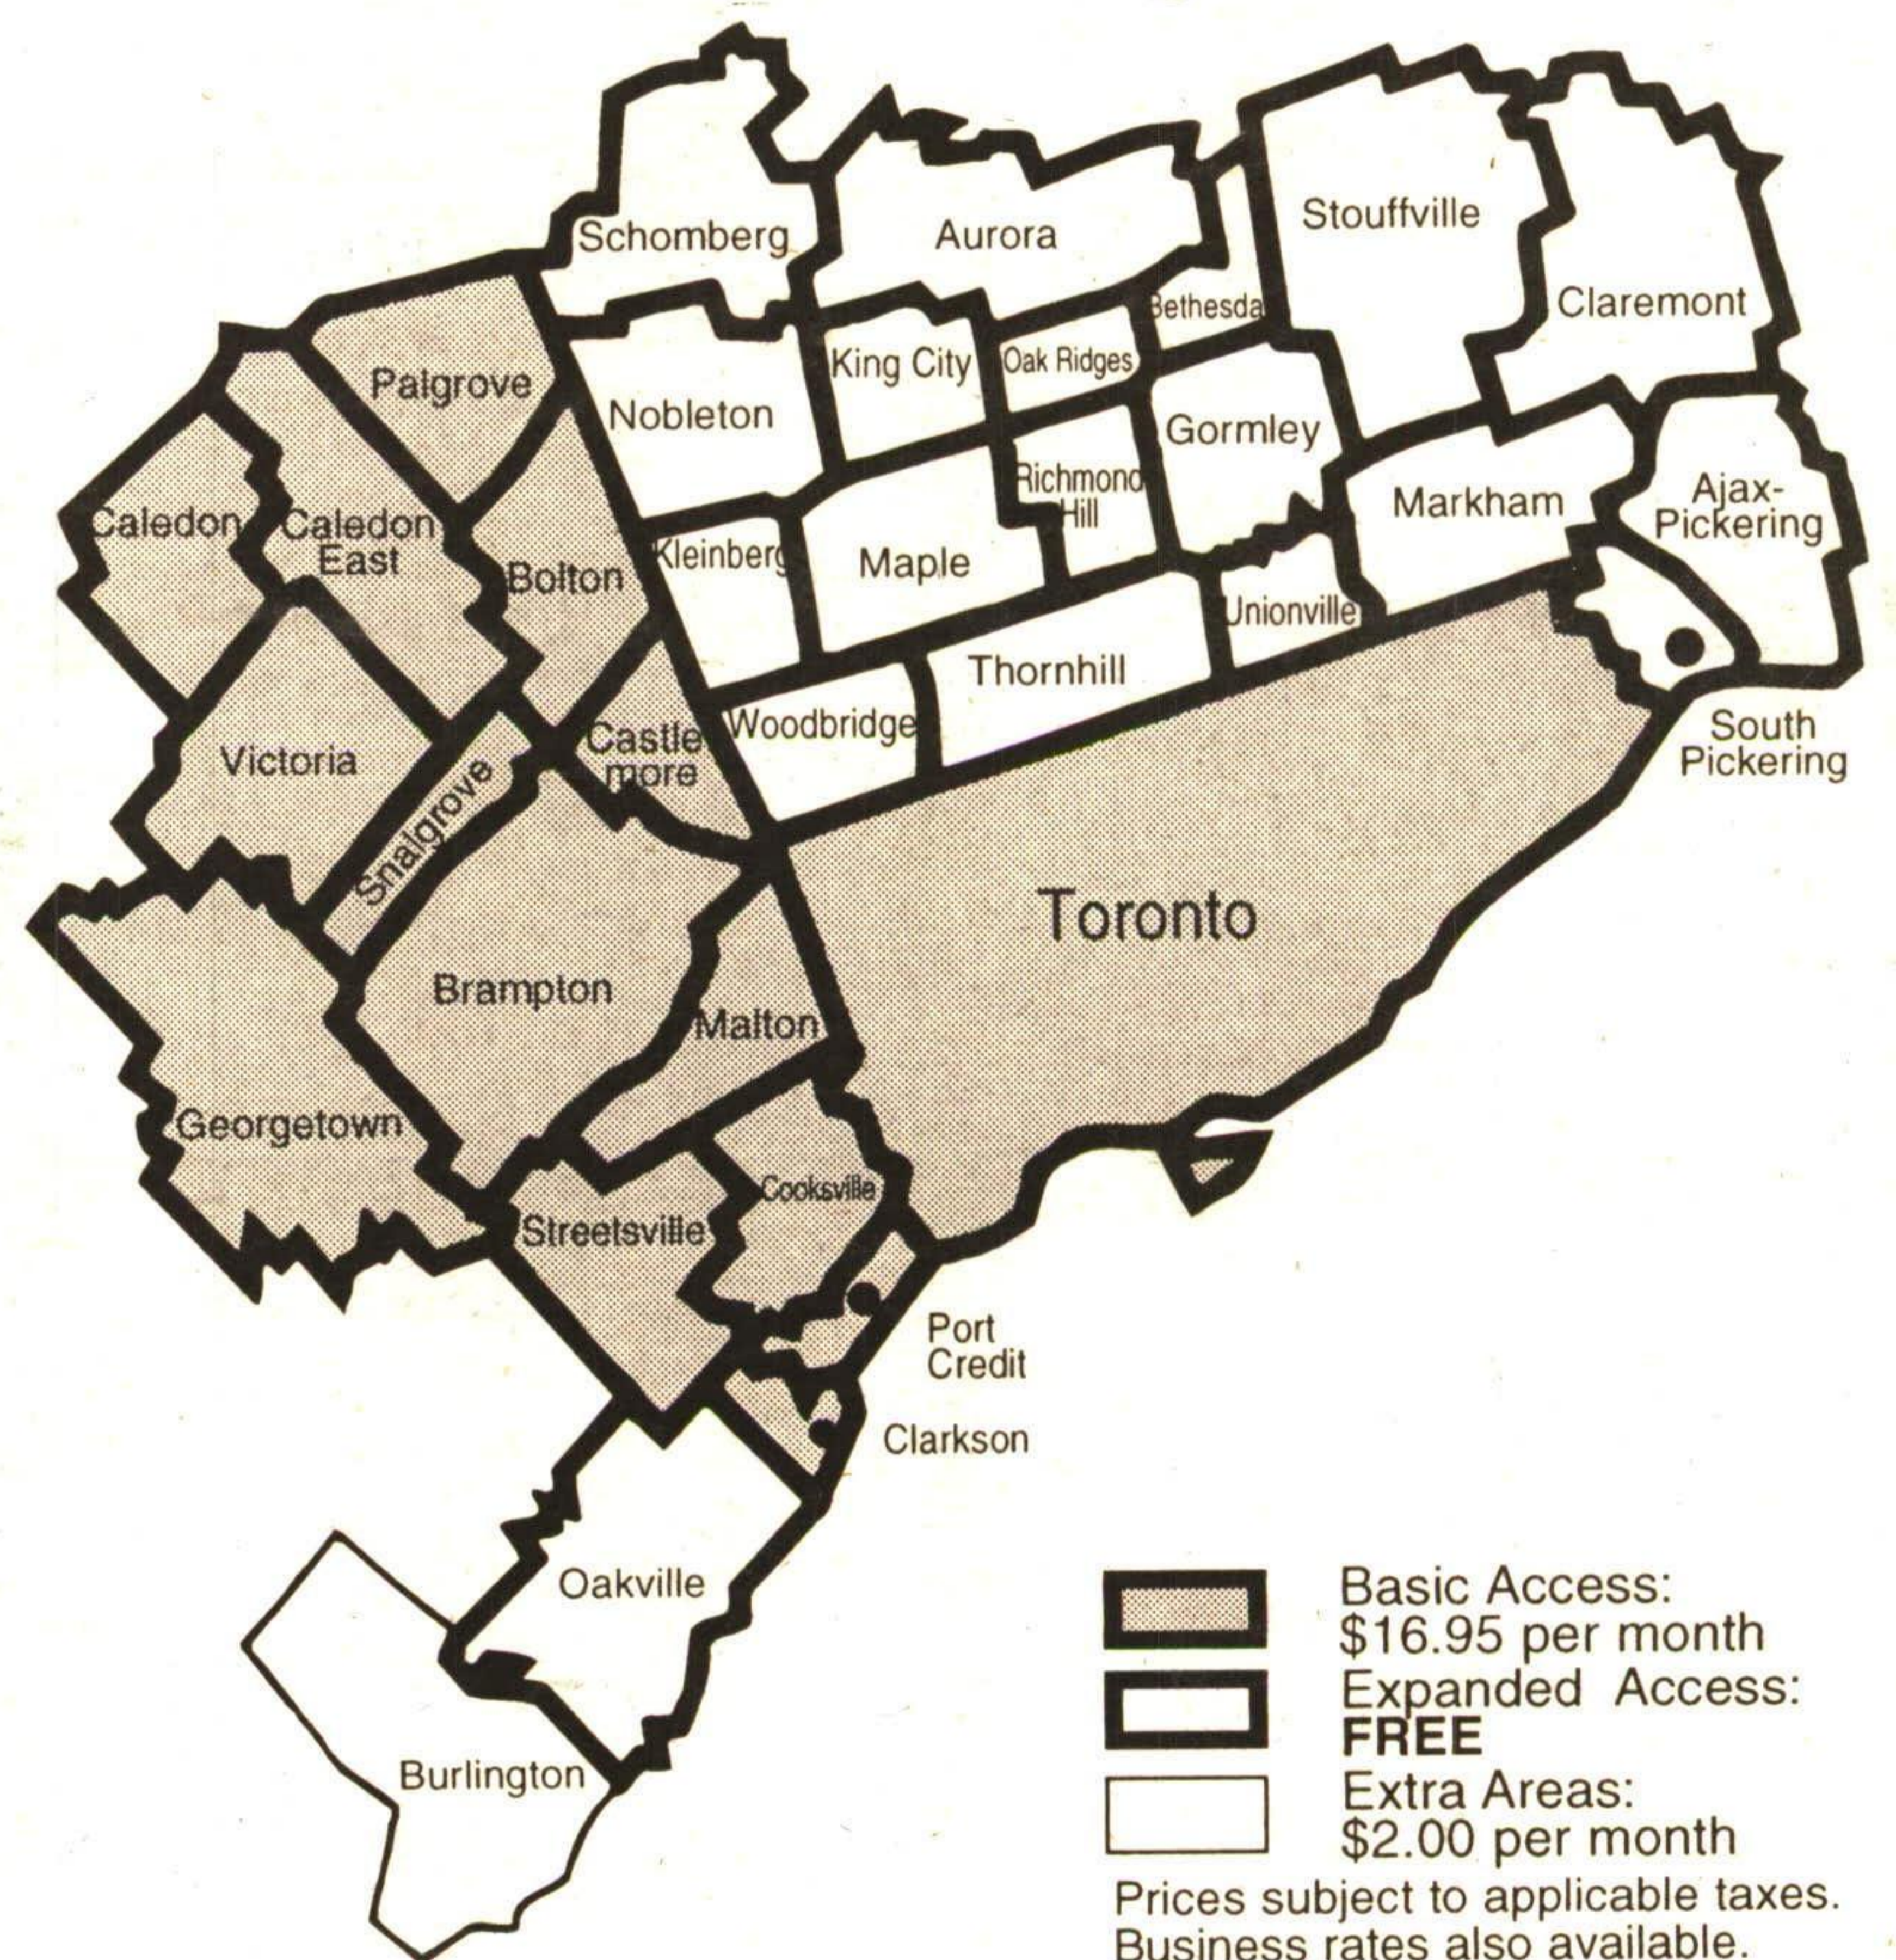

In total, 56 species of birds were seen. Norval is a great place to birdwatch with its wide variety of habitats. There is the Credit River, where you can spot a kingfisher or a duck.

If you would like to get involved in birding or if you would like more information on the Christmas Bird Count you can contact the Halton/North Peel Field Naturalists at Box 115, Georgetown L7G 4T1. Membership applications are also available at Canoe Country.

LARGER Calling Area SAME Low Price

The same low price of \$16.95 per month that got you to Toronto before now gets you all the way to Oakville in the West and Ajax in the East.

Call as often as you wish! Talk as long as you like! See for yourself how easily you can make those long distance calls local!
