

# IODE meetings begin for new year

By DOT NORTON  
Lakeside IODE

The first meeting for 1996 was held with 14 ladies out of 17 members out on a snowy night.

After the secretary's and treasurer's report were read and approved we moved onto new business.

Founder's Day Luncheon in Guelph will be on Feb. 17 at 12:30 p.m. with the cost being \$15 each.

From our education lady she

tells us she sent off our cheque and IODE calendar to the school in Makovick. As well she received another thank you card from a graduating young person.

Joyce Sprowl says thank you to all the ladies who turned out to help sort and pack our Christmas hampers. We are down this year to our last few years, that being for all the others who also give out hampers at this time of the year. Some folks even turned their hampers back to us as they had received from others. To

them we say a special thank you. We also had a couple of men helping us out during the day and at night. This is another thank you from Joyce.

Tonight our annual reports are read and approved by those at this meeting. All reports approved moved by Mary Mckenzie, seconded by Bette Oaks. So now we are ready to start a new year.

A special reading by our Regent telling us that the IODE is now 95 years old and we try

hard to help out in a goodly number of things such as Anti Drug, Crime Stoppers, Women's Shelters, Education, food supplies, Food and Shoes for children in the north as well as our bales that go to help out in many places in Canada.

A very good group to belong to so we invite you all to come join our group here in Acton first Tuesday of the month (Feb. 6) at 7:30 p.m. at Knox Church. Who knows you might like to lend a hands. All welcome.
