## Idea to Image

### Students invite public to view work

The students and faculty of Sheridan College's Textile Studio, School of Crafts and Design, welcome you to an exhibition of exciting new student work.

Independent study, first second and third year students will show an impressive collection of printed, dyed and embellished textiles: from innovative fashion and home furnishing fabrics to distinctive textile products,

accessories and experimental works.

The exhibition will include sketches, story boards, film positives, silk screens and other tools to illustrate the development of ideas and give the viewer insight into the process used.

Explore and experience the diverse colours and patterns achieved through a multitude of designs, processes, and dye techniques.

Idea to Image runs from February 19 to March 1, 1996 in the The Gallery (Room AA23) at Sheridan College, 1430 Trafalgar Road, one mile north of the Q.E.W., in Oakville.

A reception will be held from 3 p.m. to 5 p.m. on Tuesday, February 20, 1996. Gallery hours are 8:30 p.m. to 4:30 p.m. Monday to Friday.

For more information, please contact Eleanor Pierre at (905) 845-9430 ext. 2921.

# TRAVEL G.U.I.D.E

**SENIORS CAN FIND A VARIETY OF TRAVEL-RELATED DISCOUNTS**

Many people enter retirement with more disposable income than they have ever enjoyed before. Combine this with more free time and thoughts often turn to travel. But some senior travellers are unaware of the advantages and programs available to them. When booking your travel arrangements it could be to your advantage to let your agent know your age. Some airlines offer discounts to those who are 60 years and over. This discount can also extend to bus and train travel as well. Also enquire about hotel discounts and special senior menus in restaurants. Careful planning that includes investigating each facet of a proposed trip (transportation, lodging, food, etc.) can enable the senior citizen to enjoy the delights of travel while saving a significant amount of money.
