DENTURISTS SERVE YOU DIRECTLY
For many years Denturist have been licensed to directly offer you a full range of denture services at a cost that puts dentures within the reach of more people. We are the only profession spending 100% of our day specializing in the fabrication of dentures and counselling of denture patients.

VISITATION SERVICES

There are many times when you cannot leave your home because of infirmity or disability. We will visit you in your home, to make, repair, or adjust your dentures. We will visit you in the hospital or nursing home too. It's the Denturist Association of Ontario's commitment to bring service with integrity to the profession of Denture Therapy.

PROBLEM AND SOLUTIONS

If you are a denture wearer, and experiencing frequent sore spots, don't wait for the next one! Frequent gum irritation could be a warning sign of other problems. Your mouth is constantly changing as you grow older, whereas your dentures are hard and unyielding. A check-up visit at least once a year is recommended. We will help you examine your options; free of charge. Our office provides a full range of dental services directly to the patient. We are the only professional legislated specifically to make dentures. For service and one on one contact with the person who actually makes your denture from start to finish, give our office a call.

You do not need a referral; simply call our office direct.

The Arts Alive showcase of talent which was scheduled for Feb. 9 at the John Elliott Theatre has been postponed to March 30.

It's open to anyone up to the age of 19 years who can fill a three or four-minute time slot with a performance on a musical instrument, a song, a dance, or whatever their show biz specialty happens to be.

Arts Alive which is

sponsoring the show is a committee of volunteers dedicated to promoting the performing arts in Halton Hills.

Any funds raised by the committee is spent on improvements to the Cultural Centre. It recently paid for the computer and software required to set up the box office at the John Elliott Theatre.

Would-be performers should contact Maureen Walker, 877-4323 for information.

Elaine (Elizabeth Barfoot) is carried up the stairs by her husband John (Gary Woods) in Georgetown Little Theatre's Night Watch. The thriller opens Feb. 15. TED BROWN photo
