

# Open Letter To Halton Hills

*Wow! What a Week. Queen's Park has nothing on us, we had our own protesters. Fortunately, our ending was a happy one with the couple motoring around in their new 1996 Intrepid. Imagine that, resolving an issue with a protester WITHOUT choking him.*

*Back to business. 1995 was a tremendous year for Georgetown Chrysler Jeep. Our best yet. January 1996 was our third best month ever! Thank you Halton Hills. Refreshing to note is over 90% of our business is now local. This is what we strive for. Doom & Gloom is not in the cards for '96. We recognize everyone has their own budget with which to work. If we can't help you buy or lease a new Chrysler or Jeep product we will show you our certified selection of experienced Fords, Chev., Dodges & imports.*

*Hey Iron is Iron, Right?*

Sincerely

Paul Auty
