

ACTON FOR BUSINESS ACTON

Leathertown Lumber's main business priority is catering to its customers. No job is too big and no material is unavailable at Acton's building and supply store.

"We cater to our customers," says Betty Farr, part owner. "We try to service them to death," she says.

Leathertown Lumber has supplies for the plumber, the electrician, the do-it-yourselfer, and the hobbyists out there. All this at very reasonable prices.

"We have just about everything, and if we don't have it, we go and get it," says Betty. "I just got back from a 90-minute drive to pick up some specialized trim for a customer," she says.

The store offers free delivery, usually it's same day delivery. In cases when same day is not possible,

BETTY FARR

they will deliver for the following day.

"We do repairs on glass and screens. We'll rekey your locks and we have free coffee on all day long," says Betty.

Leathertown Lumber has a Toronto phone line (416-601-1259) in case local customers who commute to the city have to make orders from

work. They can call the store without a charge to themselves.

"Service and customers are our priorities. We're here to answer any questions or help people any way we know how," she says.

With the summer coming, Leathertown Lumber is gearing up for its busiest season. The store is open Monday-Saturday from 6:30 a.m. to 6 p.m. They like to be open for the early risers out there. Their phone number is 853-1970.
