Georgetown Lions Club 65 years of community service

Sixty-five years have passed since that February 6th, 1931 date when 20 new Lions Club members held their inaugural meeting at the Georgetown Inn with their sponsors from the Downtown Toronto Lions Club.

Since then, the town has seen world conflict and strife, social and economic problems with tragic outcomes and survived them all, with help from the service minded members of the Lions Club of Georgetown.

I am proud that the Lions Club has been such a proactive force in the development of community-spirited services for all ages which is evident from the annual functions, the buildings, the parks and recreation facilities, the library, several hospital-assisted programs, and with health and disability care vehicles still in operation.

Nevertheless, it is also with humility that I thank the citizens of this great town for your support and contributions to the thousands of ventures taken on during our history.

Thank you for joining us in the celebration of our 65th Anniversary, as we look to the past with pride, to the present with enthusiasm and to the future with great anticipation.

Lions motto — 'We serve'

The International Association of Lions Club is the largest single service organization in the world today with more than 46,000 clubs serving community and world needs in more than 180 countries. Total membership exceeds 1,400,000 members.

The Lions Club of Georgetown is one of the most active member clubs in the association serving the needs of our community. Current membership in the club is 43.

The success of the Georgetown Lions Club in attracting dedicated members is that every Tuesday night is Lions Night in Georgetown.

The club meets at the Lions Hall, 42B Mill St. The meetings held on the first and third Tuesday of each month are general membership dinner meetings comprised of entertainment, guest speakers, fellowship and minimal business.

The second and fourth Tuesdays are directors

meetings at which all current business of the club is processed. Directors meetings are open to all members, and an average of 35 can be found at the Lions Hall on Tuesday nights.

Lions are service-minded members of the community who want help provide a better quality of life for its citizens. Lions could be your doctor, your lawyer or they could be your fellow worker or your postman who come together in service to the community, country or anywhere in the world. They can be found working together on many exciting projects.

Whether helping the needs of the community supplying eyeglasses to Third World countries, building schools, camps for the blind or providing fresh clean water to a community in Africa, the common goal of Lionism can be summed up in our motto "We Serve."
