NEW EYES NEW OUTLOOK

BEFORE

AFTER

The eyelids are frequently the first to show signs of aging resulting in a tired, sad appearance.

First, there may be excess skin in both the upper and lower eyelids. The second problem is the accumulation of fat which causes "baggy" eyelids. This is frequently present in both the upper and lower eyelids.

With the latest techniques, eyelid surgery can remove the excess skin and fat pads, resulting in a rested, youthful appearance.

The results are longer lasting than ever.

FIND OUT HOW YOU CAN IMPROVE NOT ONLY HOW YOU LOOK, BUT HOW YOU FEEL.

Plastic Surgeon: DR. B. SHORE B.Sc., M.D., C.M., F.R.C.S.(C)

Please contact the Brampton Cosmetic Surgery Clinic for an appointment. Your consultation includes video presentation, literature and assessment. We also do face lifts, nose contouring, brow or forehead lift, breast surgery and liposuction.

Easter Seal Campaign continues

The Rotary Club of Georgetown wants local residents to know that the Easter Seal Campaign is once again taking place during March.

"A lot of people think that the money just goes to Toronto, and it's Toronto kids who benefit, but that's not the way it works," said Barry Timleck, campaign manager.

Timleck said of the money collected here, half is sent back to Georgetown to benefit 12 kids here. All have different needs, like ramps to the house, braces and lifts to allow them to

get into and out of vehicles.

If the local children need more of the money, the Georgetown Rotary Club can apply for it on their behalf. The Rotary Club also spends about \$4,000 every year to send the children to summer camp, which not only offers them wonderful new experiences, but also gives their parents a much needed break.

The national goal for 1996 is to raise \$18 million for the Easter Seal campaign, one third of which is to be raised during the spring. Easter Seals are the main fundraising tool and were first issued in 1947.

"The Seals help create awareness and generate essential funds for children with physical disabilities," Timleck said.

The Seals are mailed out to local residents from the head office in Toronto, which administers the local fundraising campaign, he said.

He hopes the Georgetown, Acton and Milton Rotary Clubs will organize a picnic for all the children in the three areas and their families during the summer.

EXERCISE

THE Electrolysis CLINIC

SPECIALISTS IN PERMANENT HAIR REMOVAL
20 Guelph St. Georgetown, Ont. L7G 3Z4

WHY WEIGHT 'TIL SPRING, DO IT NOW

Short term memberships now available to help you improve your body image, fitness and health.

Work That Body Fitness Centre for Men and Women has designed a new program to help you improve your lifestyle. Our four month memberships are designed to introduce you to an improved lifestyle with an emphasis on weight management and proper exercise. Let our Certified Personal Trainers teach you the skills to manage your eating habits, train your body and show you how more energy improves all your day to day activities. "If you want to lose you have to move, exercise is the body's best defense against excess body fat" says Laurie Burns, Exercise Physiologist.

Call today to arrange your first appointment with one of our Personal Trainers.
