New 24-hour tip line for Halton Crime Stoppers

Callers to Crime Stoppers of Halton can now provide anonymous crime-solving information 24 hours a day, seven days a week, thanks to an agreement signed between the local program and Crime Stoppers International.

Prior to this agreement, tipsters wishing to help solve police cases were required to call during weekdays only. The expanded service (now available) ensures everyone who wishes to contact Crime Stoppers will be able to do so, without regard to the time of day or day of the week.

Crime Stoppers of Halton Inc.'s chair, Burlington lawyer Ted Acheson, hopes the new feature will improve the level of service his organization provides.

"We realize there are circumstances where someone may not be able to call when the coordinator is in the office. We also know there are times when people become aware of information they feel the police should have immediately, and the timing is not consistent with office hours. We believe we can be more effective in making Halton a safer place, if we have the capability of taking tips from the public whenever they wish to call."

Anyone wishing to help solve a crime, without giving their name or telephone number, can now call either of Crime Stoppers' numbers (1-800-668-5151 or 825-TIPS - 825-8477) at any time of day, every day of the week.
